The SSL have been working for a while now on improving our media and methods of contacting you and advising you of upcoming events, and general club news. One of the actions is to create a Facebook Community Page, that will be a lot more useful to you than a straight email. Please note you do not have to have your own Facebook page to see this site, as it is a community site. You can test it by using this link <https://www.facebook.com/SouthernSoaringLeague>
