

# MODELFLIGHT MIDWAY CUP

## STATE VS STATE

State Thermal Championships  
Horsham, Victoria  
December 3rd & 4th, 2016

Start your planning now to be in Horsham over the weekend of 3rd and 4th of December. This is a combined event incorporating the Model Flight Midway Cup, an open thermal event sponsored by Model Flight, and the Victorian State Thermal Championships.

For the Model Flight Midway Cup, the winner will be the state with the best combined scores of the top placed pilots. For the Victorian State Thermal Championship the winner will be the top placed pilot at the end of the event.

The event will be hosted by the Wimmera Model Aircraft Association who will be making lunch available for each day, including hot and cold drinks throughout both days.

This will be a great event for everybody to enjoy!
