

2023 Midway Cup

Horsham Victoria.

We all had an awesome time at the Modelflight Midway Cup in Horsham, thanks to the hospitality of the Wimmera Model Aircraft Association.

A massive thanks to Rolf and the team for your hospitality, keeping us fed and providing a magnificent venue, we really appreciated it.

The weather was everything, from warm and sunny to cold, windy and rainy, which made it very challenging, but it also made the winners all the more deserving.

The preliminary rounds on the Saturday determined the winners of the Modelflight Midway Cup and it was the Victorian team who took home the trophy.

Congratulations to Victoria, with SA second and NSW third.

The fly-offs on Sunday determined the Victorian State F5J Champion and the final placings were:

1st Mike O'Reilly (SA)

2nd Dan Haskell (Vic)
