Gregg Voak Memorial Aerotow

Jerilderie Racecourse, NSW | Easter 3-6 April 2026

Proudly supported by the MAAA and Modelflight

MODEL AERONAUTICAL ASSOCIATION OF AUSTRALIA

The **LSF/Gregg Voak Memorial Aerotow** will be held again at the Jerilderie Racecourse over Easter 2026. Please note the name change for this event to honour our good mate who was the instigator of the original event back in 2005.

Pilots should pre-register using this link: Jerilderie Scale Rally 2026 Pilot Entry

- All pilots are welcome, but you must be an MAAA member to fly at this event.
- Models above 7 kg will need current heavy model certification paperwork. Heavy model inspectors will be present if your model requires re-certification.
- The racecourse hall and other undercover areas are available for model storage overnight.
- Camping at the field is available at no charge and there is a new toilet and shower block available for use. There is some access to 240V for charging.
- A BBQ will be held at the Racecourse Hall, on Good Friday evening at the conclusion of flying. This will be a byo event, bring your own food to cook. There is a large fridge and griller in the Hall's kitchen.
- Registration fee is $30.

- More information, see the LSF website: lsfaustralia.org.au
- Contact for the event: Jim Houdalakis jimhoud@gmail.com
