Arising: John Quigley proposed small revision to MAAA Bronze wings (Glider), testing method. New committee to follow up as needed.

Reports
President, Attached: Verbal summary: Scale rally good, Two WC teams overseas. Fun and mixed success.
WA F5J team going to Dresden. F3J team selected on friday.. Numbers at June stable.
Accepted, Marcus Stent/Geoff Wilkes, Passed

Survey. Results circulated and attached, Majority in favour von remaining at Jerilderie in June.

Treasurer:
OK but shrinking income, less events. Cut back expenses. Mostly trophies/ web hosting. MAAA may pay for trophies/ our application is pending. Team support major spend, about $1000 a year. Scale Glider event had big turn over plus sponsor support so was +ve outcome. $8.5K end of Fin Year in March now $10K with June income.
Dan Haskell/Alan Lowe, accepted.

Secretary:
Major roll is Minutes, Corporate report and this year the survey. Thanks to others who organised easter and June. Retiring from role at this meeting. Brad Merryweather/ Bruce Clapperton, Passed.

Scale Rally, 20th anniversary. Big interstate event. Getting popular with overseas visitors. 48 people near record, Warm and good weather, Will grow. Thanks to Jim and Rod for organisation and streamlining preparation for June.

Great Voak passed away last month. Mentor to Nick. Proposal to rename scale event in his name, past President of LSF. Flew many types of gliders and models all over the world at big events.

Election of Officers
President, Nick Chabrell, accepted,
Secretary, Beth Loveday, Approved
Treasurer, Rod Watlins, Accepted

Committee, Jim Houdalakis, Mike O'Reilly, Dan Haskell. Accepted.

Area Approval for Jerilderie:;
Two options, MAAA (easier than in past) or CASA (complex). Up to 1km and 2000ft via MAAA or more via CASA. MAAA AA would restrict Scale Gliders not June events. Mike O'Reilly recommended new committee make decision after discussion with Scale flyers and MAAA.

Other Business: Gerry Carter, proposal for recognition for Glider Score from FAI. Proposal to go through MAAA. Proposal for LSF put forward proposal to MAAA. Nick Chabrell/Rob Gunn.

Mike O'Reilly: Thanks to Chris Adams for work on web site.

LSF Tournament
Mike Taylor, proposed to switch F3J back to Open Thermal.
Nick and others in favour of F3J.
Vote: F3J 13: OT 5 No change proposed.

Format 2026. Rod proposed repeat of this year with better weather. With separate winch and F5J days its asier to set up and easier to move flight line if needed. GS easier, set is easier. Mike, Scott, Rod, Nick spoke in favour.
Same format again: Dominant vote.

F5J format, 2Day prelim, 1/2Day flyoffs Andrew spoke in favour. Vote, dominant.

Closed at 3.05pm.
